

Qingdao Haier Biomedical Co., LTD

Product Quality Inspection Report

Product name	15ml Microcentrifuge Tubes	Specifications	25Tubes/Pack 20Pack/Case	Item No.	311005
Production date	2024.03.05	Batch number	06524119	Shipment quantity	1Case
Expiring date	2027.03.04	Inspection date	2024.05.13	Sampling quantity	50pcs
Serial number	Detection items	Inspection content / inspection basis		Test results	
1	Outward appearance	Black spots, bubbles, scratches, etc		Meet the requirements	
2	dimension	Conform to drawing specifications		Meet the requirements	
3	packing	Packing material, quantity correct, packing intact		Meet the requirements	
4	material	Meet the requirements of the drawing		Meet the requirements	
5	Endomycin test	Specification for the test of bacteriomycin		Meet the requirements	
6	Rnase test	Specification for nuclease test		Meet the requirements	
7	Dnase test	Specification for nuclease test		Meet the requirements	
8	airtightness	Sealed without leakage		Meet the requirements	
9	Load/Eject Velocity	uniform		Meet the requirements	
10	Resistant to high temperature and pressure	Resistant to high temperature and pressure		Meet the requirements	
Comprehensive judgments					
Description: Check Results can be filled in: Meet the requirements, do not meet the requirements or fill in NA
